**MOTION FOR AMENDMENT TO INITIAL CASE MANAGEMENT ORDER  
PURSUANT TO F.R.Civ.P. Rule 6 (b) (1)(A)**

Comes now the Plaintiff Calvin Tankesly, Jr., pro se, pursuant to Rule 6 (b)(1)(A), F.R.Civ.P. and MOVES this Honorable Court to amend the Initial Case Management ORDER, [Docket Entry 54] filed August 28, 2014.

Plaintiff submits acting pro se he is unable to meet the present Discovery deadline of January 23, 2015 set by this Honorable Court, and ask that the January 23, 2015 deadline for discovery be extended no less than thirty (30) days to February 23, 2015, with the remaining deadline's amended as this Honorable Court deems appropriate while maintaining the September 2015 trial date.

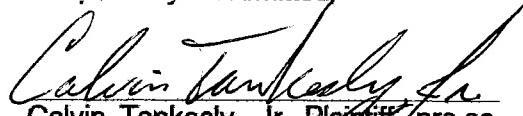

In addition to acting pro se, with deliberate interference in Plaintiffs attempt to respond to Defendant's Interrogatories and Request for Production of Documents, Plaintiff still has to acquire affidavits or statements from four doctors, Not at this Facility, without the benefit of a phone or ability to visit the Hospital, the statements of up to 12 staff members, [i.e., Correctional Officers] and/or 10 to 12 inmate witnesses.

Plaintiff still has to respond to Defendants Interrogatories and Production of Documents for eleven Defendants through four "seasoned attorneys", without any assistance.

Plaintiff is unable to meet the January 15, 2015 Discovery deadline. Please see attached Declaration in Support of this Request to Amend to the initial Scheduling Order.
